

Thank you...for giving me the chance to meet the people I am surrounded by right now. The friendships that were created two months ago are ones that I truly and sincerely believe will last a lifetime. This group could not have been better and through all the ups and downs, we really became a united and strong "family" for those few days. We made innumerable memories together that I will cherish forever.

And most of all, thank you...for taking me on such an incredible journey throughout these past three years and for providing me with so many ways to not only give back to my own community, but to other's where the task may not be so simple. Because of my experiences with you, I have grown in so many ways and my passion and love for *tikkun olam* has been fostered into what it is today.
